| button cell holder | PH9238 | Ea. | 1 | 8 | | |
| button cell battery | SB2944 | Ea. | 1 | 8 | | |

*As a number of our components are supplied in multi-packs, we have calculated the number of sales units for economical group purchasing. We use multiples of 8 as this suits the component packs and can be easily scaled to suit most class sizes (16, 24, 32 etc.).
